

The new year started with real winter weather and snowmen who appeared in various shapes. The sound of joyful play and snow shoveling could be heard all over the common area.

New year - new opportunities!

Nore Sunde B2 is a living environment with a fantastic community outdoor area, and beautiful natural gems nearby.

Our area is defined in the Zoning Plan as car-free.

Each house unit has 1.2 parking spaces. This means that everyone has a parking space in the garage and 0.2 parking spaces are set aside for guest parking.

1. The board reminds (once again) that the area on Nore Sunde B2 is car-free.

It means that only **medical transport and delivery of goods are permitted**. Which again means that it is not permitted to park in the area, nor to wash cars.

Thanks to all of you who comply with this.

2. **Guest parking** - The guest parking is for our guests. The board advises residents to respect our statues and Zoning Plan for the area.

Thanks to those of you who respect this.
